

"NEXT GENERATION SUPPLY CHAIN STRATEGIES" THEME BASED WORKSHOP

9th -10th June 2005, Frost & Sullivan, London

TOP LOGISTICS AND SUPPLY CHAIN MANAGEMENT EXECUTIVES FROM AROUND THE WORLD WILL SHARE THEIR PERSPECTIVES AS PROVIDERS, SHIPPERS AND INDUSTRY EXPERTS.

- Join in the debate about new supply chain business models and assess their feasibility
- Talk to the companies who are implementing **new business models** (NBMs) and those who are facilitating the development of new SC strategies
- Speak to the shippers and understand how they have been implementing **new supply chain business models**
- Take part in an **interactive industry panel** to discuss the implications of new supply chain strategies with all stakeholders involved
- The event will be followed on the first day by a **networking dinner** where a **guest speaker, Stuart Ross, Executive Director, Iceland (UK)**, will deliver a keynote address on the European Logistics Industry

SPEAKERS

Dr John Gattorna, Co-Director, Centre for Supply Chain Research, and Professorial Fellow in Supply Chain Management, University of Wollongong; Visiting Professor in Supply Chain Management, Cranfield University; and former Accenture Managing Partner in Supply Chain Management, Australia and Southern Asia.
